### HEAR IT, FEEL IT, LIVE IT, SHARE IT – GOD'S LOVE

Dear siblings in Christ,

It's already the time of year when we start putting out pumpkins on the stoop and scarecrows in the yard, where orange and black are the colors of the season, where the air is getting crisp and we start looking at the next holiday of Halloween. There are some people who really get into this holiday—dressing up, watching spooky movies, and decorating the house for the season. And there are some people who are very worried by this holiday—fears about venturing into black magic and conjuring ghouls and spirits has labelled it the “devil's holiday” in some circles. But Halloween has some really interesting Christian roots.

It started with Celtic Christianity. See, when the Church started to spread into pagan places, it adopted and altered local holy days. You may have heard of the Celtic holiday called *Samhain* (pronounced “SAH-wuhn”), which was the traditional day when the barrier between the mortal world and the spirit world got thin, and spirits would be able to walk among people. The Celtic Christians adapted this pagan holiday about communing with the spirit world to celebrate the saints in glory instead, and now we have All Saint's Day on November 1. The day before, All Hallows Eve, kept some of the old Celtic pagan traditions, like dressing up to confuse unfriendly spirits and offering treats to visitors who might be visiting spirits.

But Halloween isn't the only pagan holiday we adapted into Christianity. Christmas was traditionally the Roman holiday of Saturnalia, which celebrated the return of the sun (since Christmas/Saturnalia falls right about when the days are shortest). Easter took on certain aspects of pagan fertility holidays (where the eggs and bunnies came from). And even the fasting of Lent came from traditions of fasting in the spring before the first crops could be harvested.

The thing the early Church did well was it recognized how God could be at work in traditions and practices that weren't originally part of Christianity. So rather than banning pagan practices, the Church pointed out how God is at work in them and adapted them to share the gospel. With so much change going on in the world, sometimes it can feel like we in the Church need to take a firm stand about not participating in “worldly” activities, but if anything, holidays like Halloween or Christmas should remind us that we do best when we help the world see how God is at work in what they are already doing.

So rather than shame Christians who go to sports competitions on Sundays, what if we wrapped their participation in the holiness of prayer and scripture celebrating God's wondrous work of human cooperation? And what if instead of looking down on people gathered at the bar, instead we took it as an opportunity to honest and holy conversation? And how would it look differently if we shaped our patriotic holidays to be days of speaking for God's work toward justice through the nations? Perhaps, in this changing world, God is calling us to reimagine what the ordinary parts of our lives are for, and how God is already at work in them. I think that's something good to think about.

In Christ,  
Pastor Lucas

God calls us to the waters of baptism, and as we enter the months ahead, keep in mind the following dates that are open for baptisms;

Meeting called to order by Tom Holdorf.

Open devotions by Pastor Lucas. Acts 16:6-15.

The Curd Pro Pulling League Curd Capital Fall Nationals will be at the Fairgrounds September 6-7. Members are asked to sign up to sell beverages in order to earn money for our church.

The Lutefisk committee asked the council for a recommendation for increasing the price of tickets for the Lutefisk dinner. Cost of products will most likely be at least \$70 more this year. A motion was made by Jim to keep ticket prices the same at \$17. We would like to encourage the congregation to donate the difference in price. Norris 2<sup>nd</sup>. Motion carried.

## OPPORTUNITIES FOR OUTREACH

**BACKPACKS FOR THE WEEKEND:** With the kiddos back in school, we will again be collecting for the Weekend Backpack program. During August please bring canned meat (tuna, chicken, etc.), and pasta or rice sides. Did you know that a \$5 donation will buy approximately \$25 of food for the backpack program. There is a cash donation can in the grocery cart.

Thank you, Evangelism Committee - Heather Johnson, Pauline Laughnan, and Sharon Peterson

**MOOLA FOR MILK CAMPAIGN:** We will be taking a collection for the Hunger Prevention Council of Pierce County, Moola for Milk Campaign. This program provides fresh milk to food pantry and weekend backpack participants. It is completely funded by local donations. All proceeds from this drive go directly to the local food pantries, where the need for milk is still high. Please give generously when the white milk jug is passed in church on Sunday, Oct. 6<sup>th</sup>, 2019.

**Operation Christmas Child: The Kick off Sunday** will be Oct. 27th. With collection Sunday being Nov. 17th. Coffee hour will be Oct. 27th for Operation Christmas Child. It will be \$9 to ship a shoebox this year. Items that you can't send are the following; candy, toothpaste, gum, war-related items, used items, seeds, food, liquids, lotions, medications, vitamins, breakable items, glass containers, or aerosol cans. Any questions contact Peggy Hoyer, [715-273-4398](tel:715-273-4398) or [ljhoyer@hotmail.com](mailto:ljhoyer@hotmail.com). Thank-you Peggy

### **WELCA ~ COUNTRY STORE**

Calling all bakers, crafters, quilters: Time to start thinking about stocking our store with items to sell at the Lutefisk Supper. This is our biggest fundraiser each year. Any and all items are greatly appreciated. Of course, those sweet Scandinavian treats are always a hit, but seasonal décor, and other crafty things sell well too. Thanks in advance.

**Join us in a Candy Walk** Saturday the 14th of December -We ask that every family member from Church make one kind of candy and we will do this in conjunction with ST Paul's cookie walk. They will send people to us and vice versa. We would sell by the pound and Tom suggested we reach out to all committees at our church and see who would like to be involved to distribute the funds or apply to past due bills. This will not cut into the Cousins College kits Fundraiser on the 15<sup>th</sup>, and the left overs could either be used for the College Kits Fundraiser or we could make trays for shut in's. We are looking for interest and feed back. thanks, Donna

**Church Ball Park Update: Our Church has many amazing outreach projects** that we do every year and one of them is the Softball Field. We are very fortunate to have the only Church field left in 3 Counties and the all the Congregations appreciate all that we do to maintain and continue to improve. We played 8 teams this year and had a fabulous season. Some of us that are there every day or every week get to see the friendships, the community involvement, the spectators and the children running and playing. Even better when the players come up and tell you what playing ball has done for them - building their self-esteem and confidence in themselves and thanks you for making it happen. How their grades have improved and they have become better people and feel that playing ball has been a part of that.

With that being said - I want to make it even better - they say - **If you build it .... they will come.** I have reached out to Council and the MIM and want to raise money to add a real bathroom which means sewer and water. I am not asking for any money from the Church or the MIM - I will work on donations to make this happen and hopefully get additional to help with some of the other Church needs as well. I will get the plans in motion and again present to Council before anything is done. A committee has been formed of myself, Peter Falde, Bruce Place and Tom Holdorf to oversee this project. We are asking for your support in this venture so we can continue to provide this facility to the community and touch more lives. Thanks, Donna Constant

**God's Work – Our Hands:** Thank you to everyone who participated in the Fall God's Work Our Hands day. We had 12 projects accomplished by using our hands to help others. Cemetery did sidewalk clean-up, gravestones, and some bushes pruned; ballpark - painted picnic tables; soup for shut-ins labels were made for the frozen soup to be delivered; good crew for washing fire trucks; 23 cards and letters were sent out; clothes basket full of school supplies, plus 12 backpacks were sent early; 13 more dresses for Haiti; random acts of kindness - had fresh buns for the milk haulers and police officers, quarters for laundry mat, paid forward orders at McDonald's; Norris Berg had a crew there to help with some yard work; PC inmates had a variety of supplies; foster kids and Turning Point had 3 tie blankets and travel size supplies; 4 quilts were tied and 2 tie blankets made. WOW so much done in 2 hours plus a wonderful pot luck meal and fellowship to follow. We are sooo blessed to have all you workers here at Our Savior's. **In 1 Peter 4:10 it says: *Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms.*** I think we all did a great job that day, but it is God's wish for us to do good works for others daily - What should I do today??

*Evangelism Committee - Heather, Pauline, and Sharon*

Thank you to all who participated in making
