**Greeters/Ushers:** Be in the entry way no later than 15 minutes before service begins. Welcome people as they come into the church, and offer them a bulletin. When service begins, count the number of people and write it down with the records.

**Acolytes:** For the midweek services of Lent, robes will not be required. During the first hymn, light the candles on the wall altar. After the final blessing, put out the candles.

**Bell Ringer:** When the service begins, ring the bell seven times, pulling the smaller of the two ropes. After the final blessing, ring the bell three times.

**Tech Assistant:** As on Sundays, run the slide show.
