HEAR IT, FEEL IT, LIVE IT, SHARE IT – GOD'S LOVE

Dear siblings in Christ,

Feeding the hungry is so close to who we are as Christians that we hardly have to think about it. We see how Jesus feeds the hungry crowd of 5,000 men. We hear him commend the sheep to his right for feeding him when he was hungry. We listen when he commands us, through Peter, to “feed my sheep.” And at Our Savior's, we take feeding people very seriously, with our close relationship with the Food Pantry, our Fair Stand, and our Lutefisk Supper—not to mention the many meals we host for other events throughout the year.

But did you realize feeding people is an act of justice? And ensuring no one goes hungry is part of our calling as Christians?

Around the world, 821 million people—11% of humanity—face hunger or food insecurity. That's more than one in every ten people! What a calling we have to put our efforts into making that number zero! One of the most straightforward ways to combat hunger around the world and at home is to donate to organizations like the Food Shelf and ELCA World Hunger. These organizations are able to use dollars donated to buy in bulk food that feeds more people, and helps that number get smaller.

We passed a resolution at Synod Assembly that calls on all congregations in the Northwest Synod together to donate \$1,000,000 to hunger relief through ELCA World Hunger over the next three years. This would mean any giving—whether through our congregation in a special offering, at a coffee hour, or you sitting down to write a check out or giving online to help people in need—would count toward this goal. Our synod together already donates \$300,000 annually, which makes this goal completely doable. But donating to organizations that feed people isn't the only way that God calls on us to feed the hungry!

Justice in hunger would also look like eliminating the conditions where anyone could end up hungry. For example, remember how the schools were able to provide free lunch to every child in the school system during the early days of the pandemic? There is no reason we couldn't keep doing that. We could pressure policy makers to always provide free lunch (and why not free breakfast?) to all kids in our schools, reminding them that our tax dollars should be spent to eliminate childhood hunger forever. And I am certain the Spirit has given each of you ideas as well! Because remember, justice is what love looks like in public, and we are called to love our neighbors wherever we find them.

For more information on how we are called to enact justice for the hungry through our Synod, check out the website at nswi.org, and look at the “Social Justice & Advocacy” tab on the right. We are committed to doing justice—*mishpat*, *tsedekah*, and *shalom*—so that Jesus' call to feed the hungry will be answered through us.

In Christ,
Pastor Lucas

Our Savior's Council Meeting Minutes

Old Business:

Sound System Upgrade:

Brickhouse Music did a walk-through. We asked for bids from basic pulpit microphone and lapel fixes to a whole new sound system run off an I-pad, speakers in different places and the hub near the organ or in the cry room. We will have the bids by next meeting. We are also looking into possibly getting bids from other companies.

Report on After Worship Coffee Hours- We have had good attendance. There has been nice feedback from members. It feels like more back to normal.

Solar Panel Report- Jeff Olson will provide an updated report. The last one was 3 years ago. He recommends a production meter to know how much the panels are contributing, as it is difficult to tell that between upgrades to LED lighting and other cost-saving measures. We have a 4K system, which is small compared to the newer panels. We plan to have Jeff come out to explain the report.

Secretary's Report- Dan made a motion to accept as written. Sharon 2nd. MC
