

Name: _____

Lesson 1: No Idols

Review Assignment

How big was the statue that King Nebuchadnezzar set up?

- 400 feet tall and 40 feet wide
- 100 feet tall and 10 feet wide
- 30 feet tall and 5 feet wide
- 50 feet tall and 10 feet wide

How was King Nebuchadnezzar's idol to himself likely to hurt people?

- The king said that anyone who wouldn't worship his idol would be burned alive.
- It was so big that it could fall down and crush someone.
- The idol was mechanical and was like a battle robot, hurting people that way.
- It wasn't going to hurt anyone, nor could it.

What did Martin Luther say about idols?

- An idol is anything you bow down and worship.
- An idol is any image or statue, anywhere, for any reason.
- An idol is anything on which your heart relies and depends.
- An idol is anything made with gold.

Check all the things on the list that could become idols.

- Money
- Popularity
- Yourself
- Phone

Remember what makes something into an idol. What is one thing that could easily become an idol for you?
