HEAR IT, FEEL IT, LIVE IT, SHARE IT – GOD'S LOVE

Dear siblings in Christ,

This month will mark a full year that we have grappled with the pandemic. It's wild to think about how a year ago, when I sat down to write the newsletter article for this month, no one had any idea what was on the horizon. Over the course of this year, so much has changed and we have experienced so much together. We have grieved losses, felt the hardship of chaos and uncertainty, worried about loved ones far away and close by, and waited patiently for the day when things would "get back to normal."

It's that last thing that has stuck with me in many of my conversations with y'all when we talk about the future. "Getting back to normal" *feels* like the comforting and comfortable place we want to be—it's the idea of all the things we've lost over the past year and all the ways our lives have been disrupted being removed. Maybe the only way we can describe what we hope for is looking back to the world before the pandemic and wanting that again. But is that *really* what we want?

I don't want to "go back to normal" if "normal" is just pretending the pandemic never happened.

Because of the pandemic, we learned that we can worship together online, communing with the whole Church in the mystical connection that transcends time and space to praise God on Thursday night as if we were present on Sunday morning. Because of the pandemic, we got to see just how deeply we need people we overlooked, underappreciated, and underpaid when things were "normal," like restaurant workers, EMTs, cashiers, and truckers. Because of the pandemic, we saw how unfair it is that some people could afford to withdraw to safety while everyone else had to risk their lives just to survive. Because of the pandemic, we got to feel the real impact of just how much we need to be in community, to see each other, to sit down for coffee and catch up. Because of the pandemic, we have had our eyes opened.

A year later, let's commit to not closing our eyes again. Let's *learn* something from this year, grapple with the grief and the pain it's caused, confront the injustices it exposed, take hold of the things that it showed us really and truly matter, and make a *new* normal.

I'm ready for a new normal where every opportunity to gather is taken, because I will remember what it was like when we couldn't. I'm ready for a new normal where online worship is seen as just as normal and participatory as being in person, because I will remember that so many of y'all had to worship that way to be safe. I'm ready for a new normal where we insist workers get paid a living wage, because I will remember how we called them "essential" and expected them to be there for us in our time of need. I'm ready for a new normal where the church's ministry happens out in the community in creative and unexpected ways, because I will remember how we stepped up as a congregation to share God's love in creative ways since we couldn't do it in the building.

What new normal are you ready for? What lessons have you learned about who God is calling us to be in the world during this pandemic? What kind of world is God calling us to co-create when enough people are vaccinated and the pandemic is officially declared over? Take a minute to actually write down your answers to these questions, and if you feel comfortable with it, please send them to me! God is at work, and has been at work with and through us this whole time. May we not let the grief and hardship of this pandemic blind us to the future God is calling us into.

In Christ,
Pastor Lucas

THANK YOU

Dear Our Savior's Lutheran Congregation, ARC is so grateful for your recent generous gift of \$1,000.00 to support our mission. As you may be aware, 98 cents of every dollar donated goes to directly offer a hand up to local households facing difficulty with basic expenses; heat, lights, rent, gas. Your donation will ease many stressful situations.

Thank you for your recent donation of \$75.00. It is very much appreciated. Together we CAN and DO make a difference. Hunger Prevention Council of Pierce County Inc.

We would like to thank you for the recent gift of \$1,000.00 and \$100.00 to our organization. Our Organization is dedicated to reducing hunger and providing access to healthy food across Pierce County. We estimate servicing even more of the low to moderate income families in Pierce County than we have in the past due to the pandemic. Your generous gift will help us to purchase much needed nutritional items as well as equipment to protect the safety of our volunteers and clients. Thank you for considering our back pack program and our food pantry for this gift. Hunger Prevention Council of Pierce County Inc.

Our Savior's Lutheran Church, Thank you for the continued support of Basics for Local Kids! This is an unexpected surprise knowing it was a rough year for fundraising. The Support of your congregation through prayer, volunteer time, and financial donations helped us serve local, western WI kids in 2020. Thank You Kim

Thank you very much for your recent gift of \$500.00. It will be put towards our ongoing expenses. Your financial support will pay for things we need, but it also boosts our spirits. It is good to know that you are out there praying for us and including us in your own congregation's priorities. Journey House Campus Ministry.

I wanted to take a moment to thank you for choosing to be a supporter of the Ellsworth Senior Center. Your gift is sincerely appreciated and will be put to good use. It is through gifts like yours that we are able to continue to serve the community by providing a friendly safe atmosphere where adults age 50 and above may engage in recreational, social, and educational activities. Though COVID forced us to put things on hold in 2020 and into 2021, I am looking forward to when we can reopen and resume our activities. With sincere appreciation Linda Stroud

Dear Our Savior's Lutheran Church, You are such a blessing. Your gift of \$500.00 to Feed My Starving Children is providing 2,083 MannaPack meals to those around the world who need it most. Every gift matters to a hungry child. You're saving lives. You're providing hope. Thank you
May God Bless you, Marek Crea, Executive Director/CEO
