Church Emails— pastor.osbeldenville@gmail.com, office.osbeldenville@gmail.com,

Dear siblings in Christ,

In the middle of last month, Bethlehem Lutheran Church outside of Ellsworth closed its doors for the last time. It was an emotional service, and it was very hard for all the people who had called Bethlehem home for so long. It's a lovely little country church, barely more than a sanctuary over a basement fellowship hall. And over the years, the congregation has dwindled. It was time, because the congregation just wasn't sustainable.

And I know, from a certain perspective, that may sound scary. The image of churches closing their doors may make us contemplate if and when that will happen to our own congregation. But this past week, I was on an annual retreat with other rostered leaders of our synod, when the bishop told us about that service. And she said two things that really stuck with me.

First, she described the emotional moment when the council president, at the end of the service, ceremonially handed over the permanent records of the church to the bishop for safekeeping. In those books were the records of lifetimes of service. They were records of baptisms, of families lovingly bringing their children to the waters and into the salvation God has prepared for them. They were records of council minutes, cataloguing the hard decisions the church had to make over the years. They were the marriage records, marking new families; and funeral records, marking the end of each saint's earthly journey. Those records being handed over to the synod for safekeeping reminds us that the lives of the saints are not to be forgotten. We should treasure them always.

And second, I was struck when she said that Bethlehem Lutheran had finished what God intended for it to do. That in those records lay the written witness to the good work God had given to Bethlehem to do. It struck me because I've often said that to the saints I've buried over the years. The phrasing was a reminder that, just like each one of us individually, each church has its lifespan. It can't stick around forever, just as we can't stick around forever. But it does have a job to do, just like each of us. Our congregation has a calling, and when it finishes that calling, we commend it into the hands of Almighty God, just like we would any other saint.

October is such a beautiful month. The trees are changing colors, the corn is drying in the fields, the cover crops are giving their last verdant hurrah before browning for the winter. It's odd, because all of the most beautiful things of fall are also testaments to endings. The leaves on the maples have completed their calling. The corn as it dries has too. Same with the cover crops, and anything else coming to an end so brilliantly. We see the endings that are happening all around us, and we are struck by the immeasurable and completely unnecessary beauty that God gives us this season. It's a reminder that endings, while sad, are also beautiful.

I don't know exactly what I'm aiming to say to y'all with this, except that the tender beauty of all of these endings got me thinking and thankful. All things must come to an end, but when they end in God, they don't need to be so scary, or so sad. And if some calling in your life is coming to an end—a long career, a child graduating and moving out, a loved one needing more help than you can give, a role in the church that you've held for decades. well, you did what God called you to do, right? So entrust that work to God. It's in good hands. I promise.

In Christ,

Pastor Lucas

God calls us to the waters of baptism, and as we enter the months ahead,
keep in mind the following dates that are open for baptisms.

October 15th,

Contact the Office if any of these dates would work for your family.

Men In Mission Meeting - September 16, 2023

Breakfast served by Brian Johnson and Bill Bowen

The meeting called to order by president Mike Rehbein.

The Secretary's report was read and approved.

Speaking for Treasurer Tom Holdorf, Clair reported that we have \$3480 in the Luther point Bible Camp fund, and \$1409 in the General Fund. Clair reported that two days ago he had deposited \$1500 in to the General Fund from the yearly money received from the Softball league so there is presently \$29009 in the General Fund. The Fair Stand fund is in a state of transition since all bills from the fair have been paid but some have not cleared the bank yet. Clair reported that we made \$17,886 at the fair this year. With the about \$4400 that were in the fair stand fund before the fair, when all the checks clear the bank, we will have about \$22,200 in the fund. The treasurer's report was approved.

Old Business:

Donna reported for the ball park improvement project. The outside of the concession stand is done. The wiring, the septic and the well are done. The foam insulation has been donated. There will be a need for extensive landscaping to the north of the stand. One estimate puts it at \$5000 to \$6000. We have paid out \$51,307 and have \$13,391 left in the improvement project account. There are more opportunities to raise money in the future.

Donna reported that we made \$804 at the outdoor worship extravaganza. We made about \$3000 at the concession stand this last summer.

Donna reported that there is a possibility of us adding two more teams next summer. Both St. Mary's and C3 feel they have too many players for one team and would like to form two teams from each church.

Motion was made by Donna/Ron H. to raise the ballpark rent after the improvement is finished to \$75 for members and \$150 for nonmembers. There will also be a \$75/\$150 damage deposit required.

There was discussion on how future concession stand finances will be tracked. Although no motion at this time, it seems that all bills and revenue from the concession stand will be tracked through the Men In Mission General Fund. The MIM will not be responsible for any other fund raising projects.

New Business:

Motion made by Dave J./Bruce P. to give the Frandsen's a gift of \$600 for the mowing of the ballpark. We whole-heartedly thank them for volunteering their service again this last summer.

Donna reported that the Candy Walk will take place on December 9th.

The next MIM meeting will be Saturday, November 11th with David J. and Donna serving.

Coffee hours scheduled for October 22, November 12, and December 10th.

Motion by Clair/Donna to adjourn. 8 members present.

Minutes respectfully submitted by Secretary Clair Severson

Fun Facts about your Church Committees:

Did you know that there are 16 different committees with 56 committee members sharing their talents? Each year members rotate off their committees after serving a 3 year term or in some cases accept a 2nd term. For the next few months we will share information on the various committees roles so that you may find a committee that you would like to serve on in the future.

This month's featured committees are:

Thank you, for your donation in that amount of \$500.00 to St. Croix Valley Habitat for Humanity and for sharing in our vision of safe, affordable housing. Your donation will help families I need of a decent place to build long-term financial security and help us do more in all the many ways that Habitat builds.

Kristie Smith Executive Director.

A special thanks to the Sunshine Crew for brightening my day with much love the flowers were/are gorgeous and the apple pie will be enjoyed with my people thanks for all the prayers and concerns during this eye procedure - looking forward to "seeing" everyone soon friends and family are the SUNSHINE in my life - thanks again - Paula Chisholm.

A FINAL THANK YOU to all of you who made the 2023 Pierce county Fair a HUGE success. Comparing apples -to-apples with the 2022 fair, we made \$46 more than last year. Quite remarkable since we lost the biggest evening attraction to a storm. It is just too numerous to name all of you individually and the countless ways you helped out. I must acknowledge all of you who contributed to the "hamburger" fund, actually an expense fund.

We received \$4385 to that fund, about \$400 short of paying for our biggest two expenses, the hamburger and the pop. This makes a huge increase in the money we can turn over to the church for outreach ministries.

Mike Rehbein and I will continue to make improvements at the fair stand to make your time there more enjoyable.

SINCERE THANKS! Clair Severson - Chair, Mike Rehbein - Co chair

Huge thanks to everyone that assisted at the Ballpark this summer. Without your help and support we could not make this happen. We had an amazing season this year. Special Thanks to Clair, Audrey and Mike for being there almost every day to help. Without you guys - not sure this would happen every week. To those that volunteered - I hope you enjoyed yourself - I find it fun to visit with so many people every week and to watch the crowds continue to grow. We are so fortunate to have this field and be able to share this Mission with the entire Community. Your help and willingness to volunteer is what makes it happen so thank you!!!

Thank you to everyone who helped with the Outdoor Service - was an amazing turnout. We had such a spectacular day with fabulous weather, good food and fellowship. The Blessing of the Tractors was not quite what I had hoped for but we have to start somewhere. We are going to do this again and next year hoping this will be bigger and better. This is another amazing project we are doing to reach out to the Farmers in our Community. Such a simple way to remind them that the Lord is riding with them every day!

Thank you to Tim Wiff, Scott Kiefer, and Bruce Place for re-painting the lines on the parking lot. It's much appreciated."

Please continue to pray for the following people:

Heather Nelson, Paula Chisholm, Dean Mewes, Fred Hoyer, John Paape, Wayne Peterson, Ann Leonard, Eldon Schellfeffer, Mary Jo Bjork, and Kristen Anderson.

If you know of anyone that should be on our prayer list please contact the office.

The names will be on the prayer list for two weeks unless specified.
