Mission Trip 2019 ~ Prince George, VA

Relentless

On Saturday July 13th after a year of fundraising and preparation, 15 of us headed to Prince George, VA to participate in our Mission Trip and dedicate the week to serving others. It was an amazing week of seeing God Sightings work in our lives, watching everyone connect with their crew, resident and youth group and most important seeing them grow in their faith. We had the honor again this year of blessing each of our residents with a quilt made by our quilting group.

For your continued Support and Prayers through-out this past year to make the 2019 Mission Trip to Prince George Virginia a meaningful experience for all participants. They not only come back home with a stronger faith, but a closer community involvement.

To all the Adults and Youth that helped with the Motocross Fundraiser Event.

To all the Adults and Youth that helped with the Pancake Breakfast during the Old Car Show.

Thank you for taking time out of your busy schedules to make these two great Youth Fundraisers possible.
